

You'd better be careful how you pick out your companion for this Winter. Don't let him reproach you. "Him" is an overcoat. We've got him—if you're after the right sort; and, if he turns out not to be the kind of fellow you took him for, send him back. Shall he be a Montagne, Melton, Kersey—what?

Write for our book if you would like to know before you come what a double-breasted coat and how to make it. Write at once.
